RECESSED CEILING MOUNT

AVM-DRMSTS-TL1 RECESSED CEILING MOUNT

FOR FIXED VANDAL DOME CAMERA; AVC-VHN41FLT/2.8 & AVC-VHN81FLT

The AVM-DRMSTS-TL1 is a recessed ceiling mount designed for use with our AVC-VHN41FLT/2.8 & AVC-VHN81FLT IP Vandal Dome Cameras. Constructed with both steel and plastic and designed for indoor / outdoor use, this ceiling mount allows for the installation of our vandal proof dome camera with the bulk of the camera body hidden away inside the ceiling to provide a modern look compared to traditional ceiling mounting.
